Equivalent Size	2-4	6-8	10-12	14-16	18-20

Colors as shown in the catalog may vary slightly from the actual colors of the garments as the process of photography and printing rely on several conditions.

How to Measure

- Neck**
Measure neck circumference where the standard button type collar might be fastened.
- Sleeve Length**
Measure the distance from the prominent bone at center back neck, across the shoulder, over the bent elbow, to the center of the wrist bone.
- Chest**
Measure the chest circumference at the fullest point, keeping the tape horizontal around the body.
- Waist**
Measure the waist circumference at the smallest part of the waist, often at or above the belly button, keeping the tape horizontal around the body.
- Hip**
Measure the hip circumference at the fullest part of the seat, keeping the tape horizontal around the body.
